Seaside Blanket

"The colours for this Seaside Blanket were inspired by a collection of pebbles, seashells and seaglass which i've gathered during holidays in Cornwall, Devon and the Gower Peninsula. I loved how they came together, with the various tones giving a wonderful refreshing colour pallette"

You will need:
Stylecraft Special DK yarn in Parchment, Empire, Sherbert, Storm, Pistachio, Sage and Azure.
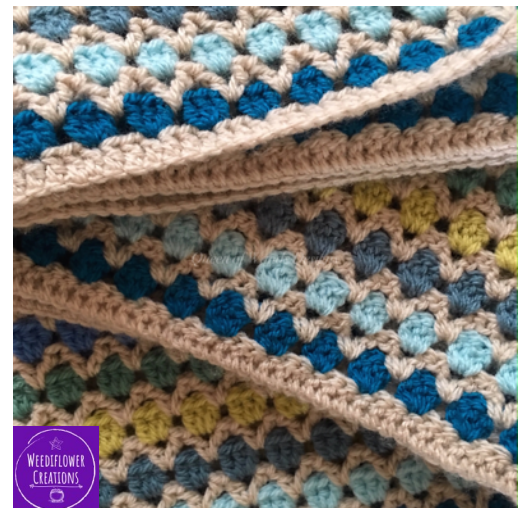

4 mm hook for the blanket and 4.5 mm hook for the foundation row (optional - see tip below).

Tip: *When working the chain foundation row, be sure not to make the chains too tight. Another way around this is to use a hook the next size up (4.5 mm) for the foundation row only.*

Note: Before you make the final row given below, ensure you finish with a Row 7 in *Coloured* yarn.

Final row: Using *Parchment* yarn, Ch3, skip first stitch, tr1 into each stitch, tie off. *If you are unsure what is meant by each stitch, take a look at the top of the row you have just worked, you will see it looks like a row of chain stitches. You will be working your final row by pushing your crochet hook through the small space beneath each of the chain stitches.*
